## Educating our community... about current financial trends...

Var. Personalized,

This complimentary dining is "by invitation only." You were not randomly selected.

You are cordially invited and because of the current economic climate, we urge you and one or two guests to join us and learn secure ways to maximize both growth and safety for the peace of mind you deserve. Seating is limited to the first 20 callers. Please R.S.V.P. today!

Reservation operators are available now! Call (800) 000-0000 (24 hrs.)

### SAFE MONEY IN AN UNSAFE ECONOMY SOLUTIONS FOR GROWTH WITHOUT RISK

Many of our clients lost nothing and even increased their assets during the financial meltdown. Have you lost money in the market? Do you know where your retirement dollars will take you? Is asset protection important to you? We have answers! Join us as we discuss:

- Proven solutions to NEVER OUTLIVE YOUR MONEY!
- Ways to secure a guaranteed income with annual accumulation.
- How to receive an immediate bonus that may become fully vested.
- Options for a lifetime income with liquidity.
- How to experience "market like" increase without risk of loss due to market fluctuations.
- Legally keep the IRS from taxing your Social Security Benefits.
- Your best hedge against inflation, higher taxes & rising health care.
- Common mistakes that cause many retirees to lose their financial independence.
